How to Write an Introduction. To write an introduction, be mindful of what it's supposed to achieve. The main goals here are to draw in your reader -- a relative stranger, most of the time -- and concisely let her know what the article is about. Generally, that consists of three key components: Step 1) Grab the reader's attention.

The president is not elected by the people. Only one president has ever been elected to a second term: Giorgio Napolitano agreed to stand again in 2013, a time when Italy was in economic and political crisis, in order to guarantee continuity. He resigned in 2015. Any Italian citizen aged over 50 can stand,...
