The easy story to write on Kool Keith goes something like this: "49-/52-year-old MC shatters hip-hop's conventions by rapping about space and time travel. What a weirdo!" However, to dismiss Keith as hip-hop's kooky uncle, as so many have, is to belie both the history of the genre and the talents of the man. No matter. PR agents, critics and fans can dream up all the narratives they ...
