

Sport And Politics

Sport And Politics

Politics and sports or sports diplomacy describes the use of sport as a means to influence diplomatic, social, and political relations. Sports diplomacy may transcend cultural differences and bring people together. The use of sports and politics has had both positive and negative implications over history.

Politics and sports - Wikipedia

Watching sports with no eye toward the political, or the racial, or the gendered, or what have you, is a privilege many of us have never been afforded, simply because we were perceived as ...
