### **Think Like a Poker Pro: How to Study, Plan and Play Like a ...**

How to Think Like a Poker Pro - 3 Rules For Success Poker is the ultimate game of mental warfare. Because it doesn't matter how good you are, you will get humbled by this game sooner or later. In fact, I don't care if your name is Daniel Negreanu or Phil Ivey, you will get humbled again and again and again by this game.

### **How to Think Like a Poker Pro - 3 Rules For Success ...**

Think Like A Poker Pro includes reports, guides and audio materials to help you attract luck and money while you're playing poker. You'll discover how you can create your luck at the poker table through the Celestial Luck report, Synchronicity Luck program and the Unlimited Luck report.

### **Think Like A Poker Pro - User Reviews and Ratings**

While most poker players can become proficient at assigning hand ranges, one skill the pros have which ordinary players find it difficult to emulate is leveling. Leveling refers to always being a level of thought above your opponent. A new poker player will only be thinking about their own hand. This is level one thinking.
