### **Visions Of Heat**

Visions of Heat is a multi-faceted paranormal romance with great characters, complex world-building, and a sometimes chilling, yet thrilling, plot... a truly great sigh-inducing read, which I highly recommend."

### **Visions of Heat - Nalini Singh :: NYT bestselling author**

Visions of Heat (Psy-Changeling #2) Used to cold silence, Faith NightStar is suddenly being tormented by dark visions of blood and murder. A bad sign for anyone, but worse for Faith, an F-Psy with the highly sought after ability to predict the future. Then the visions show her something even more dangerous - aching need...exquisite pleasure.

The F-Psy rarely travel, rarely mingle, rarely function on any level aside from the mental. Some of them are close to mute, able to communicate their visions and only their visions, by scattered bursts of sound or, in severe cases, through diagram and gesture. The rest of the time, they remain locked in their Silent world.

Visions of Heat is a fantastic second book that goes further into the escalating conflict between the emotionless, cold, psychically powerful Psy race and the Changelings (shifters that are both human and animal) in the year 2079.

### **Visions of Heat (Psy-Changeling #2) by Nalini Singh**

Visions of Heat Changeling Vaughn D'Angelo can take either man or jaguar form, but it is his animal side that is overwhelmingly drawn to Faith. The jaguar's instinct is to claim this woman it finds so utterly fascinating and the man has no argument.

Visions of Heat Book 2 is just as intriguing as book 1 was. Faith is someone you can't help but want to see protected. She has been so very alone for so long that you root for her. Vaughn is delicious, I said it he is. His animal is at the surface more and he is more dominant that way then the other changelings but you will understand once ...
